Experience Certificate

This is to certify that **Mr. Mohammad Azijul Hakim** was employed with our organization as a **Software Engineer** from **February 1, 2019 to March 31, 2021**.

During his tenure, he was involved in the design, development, implementation, and maintenance of several **management-based software projects**. Some of the key projects he worked on include:

- **Inventory Management System**
- **Human Resource Management System (HRMS)**
- **Customer Relationship Management (CRM) System**
- **Accounting & Billing Management Software**

These management software solutions were developed using modern programming languages and technologies such as **PHP, JavaScript, HTML, CSS, MySQL**, and relevant frameworks as required by the projects.

Mr. Hakim actively participated in requirement analysis, backend and frontend development, database design, testing, and system optimization. He consistently demonstrated strong technical knowledge, problem-solving skills, and the ability to work effectively within a team environment.

We found him to be a dedicated, responsible, and professional employee throughout his service period. We wish him every success in his future professional endeavors.

Sincerely,

Sourov Debnath
